

# United Nations - S.A.B.R.E.

## INTRODUCTION

Special Assault Branch - Recon & Enforcement (**S.A.B.R.E.**) *is a specialized unit within the United Nations Peacekeeping Forces*, established on 30/04/2024 to address evolving global security challenges that conventional peacekeeping forces may encounter. SABRE operates under the mandate of the United Nations Security Council, **deploying highly trained personnel to regions affected by conflict or instability.**

- Cpt. Arno De Murbriseir (Founder)

#### Strength

- 10 - 20 Operatives
- 50 - 60 Support Staff

Members of S.A.B.R.E. undergo rigorous training programs, combining advanced combat techniques with specialized skills tailored to peacekeeping and stabilization missions. ***Training modules cover a wide range of scenarios, including urban warfare, anomalous warfare humanitarian assistance, Riot suppression, and hostage negotiations & rescue.***

S.A.B.R.E. personnel are trained to operate in diverse terrain and climate conditions, utilizing cutting-edge equipment and technology to enhance their effectiveness in the field. ***Emphasis is placed on interoperability and coordination with other peacekeeping units, as well as local authorities and humanitarian organizations.***
