OPERATION: “Aussetzen”

Compiled by TFC "RYKER" for immediate dissemination to all Tau-44 operatives.

[SEC=LEVEL 2] MOBILE TASK FORCE OPERATIVES WITH LEVEL 4 SECURITY CLEARANCE
MAY REQUEST UNREDACTED INFORMATION DIRECT FROM O4 COUNCIL.

03/02/2021 - 2156
Outskirts, Nur-sultan, Kazakhstan

Combined Joint operation between:
IOTA-10 “Dam feds” Agency 81 “TOC” (DUO)
TAU-44 “Phalanx” Detachment 2 “Legion” (PLAT)
[REDACTED] [REDACTED] “Dawn” (FT)

Situation

At 1234 hours on 25/01/2021, Office 54 of MU-3 confirmed that an ex-site security officer “John Kingston is now a black market anomaly dealer working out of Nur-sultan, Kazakhstan.

Agency 81 using their status as local police have observed that Kingston set up in the industrial district somewhere north of Nur-sultan in a compound with at least 10 armed guards and another 15 unknowns. They have confirmed that Kingston has SCP-[REDACTED] in his possession and plans to sell it at the beginning of next month.

Due to a suspected [REDACTED] cell being involved O4 has been authorised to use [REDACTED] as bait for the buyer and requested [REDACTED] be present for takedown to provide tactical support and specialist assistance for the cell and [REDACTED]. Due to the recent instability of the city, TAU-44 has been assigned instead of NU-7 to execute the takedown with [REDACTED] and recover SCP-[REDACTED].

Mission

Legion will set up along the south, south-east side of the main compound where Kingston's office is located, [REDACTED] will set up in the north and set up a duo team as overwatch. T.O.C. will set up operations command out of an abandoned police lock up 400 meters north of A.O.

All teams are to conceal themselves and keep their distance to avoid spooking the buyer.

Teams are to wait until both SCP-[REDACTED] And the buyer are personally identified at which point teams are to move to phase 2 of operation and converge on the compound in all directions. Operatives are to eliminate all persons except the buyer who is to be detained

once SCP-[REDACTED] and the buyer have been secured, all TAU-44 and [REDACTED] teams are to move to "LZ Tapir" 25 north west of A.O. and extract via [REDACTED]

The "Bright Night" Contingency
